Project LEARN Vision:

Santa Rosa Junior College is a Learning Centered institution. The college, through Project LEARN, provides a foundation for a community of inquiry where ongoing collegial dialogue, collaborative review of evidence, and deliberate reflection support the improvement of teaching and learning.

Project LEARN Committee Function:

- 1) Provide a guiding vision and direction for institutionalizing student learning outcomes assessment at SRJC.
- 2) Develop and recommend an annual strategic plan for the Project LEARN initiative.
- 3) Develop and coordinate a communication strategy for Project LEARN.
- 4) In consultation with Staff Development, propose and coordinate an annual schedule of training activities, including chair trainings, PDA presentations, and flex activities.
- 5) Propose an annual resource request to support student learning outcomes activities.
- 6) Coordinate the work of the Project LEARN task committees: C-LEARN (course level), Pro-LEARN (program level), and i-LEARN (institutional level).
- 7) Generate cross component dialogue between Academic Affairs and Student Services.
